

Relevant Information

Odinsa S.A. ("The Company") informs that today, the Board of Directors unanimously authorized the trading of derivative instruments and the execution of exchange hedging operations through financial contracts, for up to SIXTY MILLION US DOLLARS (USD 60 million).

The previous authorization allows Odinsa to enter into hedging operations aimed at maximizing the pesos that the Company has destined for the payment of the ordinary bonds of the 2020 Issue at maturity in October 2023.
